## [2. Network of Alcohol and Drug Agencies \(NADA\) NSW](#)

<http://www.nada.org.au/> [Tweet](#)

5 out of 5 stars

Australia, NSW Creator: Network of Alcohol and Drug Agencies (NADA) NSW Last reviewed: 12/09/2018

Review: A peak organisation for non-government alcohol and other drug intervention agencies in NSW. Provides advocacy, resources, policy, training, planning and tendering advice on a range of topics including workforce development, early intervention, treatment, after-care and harm reduction. The site is particularly useful for professionals looking for AOD specific professional development, information, networking, peer support and industry comment on government guidelines. Promotes industry jobs and other vacancies. Workshops and other training and development for member professionals is free unless otherwise promoted.

## [5. Drug and Alcohol Nurses of Australasia \(DANA\)](#)

<http://www.danaonline.org/> [Tweet](#)

5 out of 5 stars

Australia Creator: Drug and Alcohol Nurses of Australasia (DANA) Last reviewed: 07/04/2018

Review: A peak nursing body that provides leadership, standards, resources and events to nurses and midwives with a professional interest in alcohol and other drugs. Promotes evidence-based practice and encourages research involvement. Provides access to a host of online and other professional development, education and mentoring opportunities including an annual conference. Members also receive consultancy, advice and advocacy services promoting alcohol and other drug issues inclusion in undergraduate curriculum, post-graduate clinical and research degrees. A one-stop shop for events, policy, networks, information, employment and current research on addiction issues. Supports the professional development of nurses working in the alcohol and other drugs field and contributes to national workforce development. Access to courses, conference proceedings, e-news and other events.

## [6. Mental Health Coordinating Council \(MHCC\)](#)

<http://www.mhcc.org.au/> [Tweet](#)

4 out of 5 stars

Australia, NSW Creator: Mental Health Coordinating Council (MHCC) Inc Last reviewed: 28/08/2018

Review: Peak body for the non-government mental health sector in NSW. The organisation provides leadership in policy, advocacy and reform to support people with mental health issues, including comorbidity issues, to improve their wellbeing, lifestyle and workplace opportunities. Professional development through e-learning, workshops, conferences and an online newsletter is available for people working in the sector. Information management and data collection is coordinated through the organisation, on behalf of its members, to better inform the practices and understanding within the sector.

## **[8. Mental Health First Aid](#)**

<https://mhfa.com.au/> [Tweet](#)

5 out of 5 stars

Australia, National services Creator:

Mental Health First Aid Last reviewed:

02/10/2018

Review: A national not-for-profit organisation focused on mental health training and research. MHFA Australia develops, evaluates and provides a variety of training programs, courses and resources. Good opportunities for employers to engage their staff in workplace training. Particularly relevant for teachers, professionals and people working in community-based jobs. Online training available. Access to fact sheets, research results and resources in other languages plus courses and guidelines for responding in the workplace or to specific population groups such as adolescents, Indigenous communities, those with disabilities and multicultural populations. Free mobile app for people who have completed any of the Mental First Aid courses.
