<http://www.workskillsweb.net/> [Tweet](#)

5 out of 5 stars

Australia, VIC Creator: Odyssey House

Victoria Last reviewed: 15/02/2019

Review: Registered training organisation specialising in alcohol, other drugs and mental health qualifications. Training options include online access, face-to-face workshops, short courses, workplace training, nationally recognised certificate courses and an option to have customised workplace training. Options are available for professionals in counselling, intervention and health promotion fields as extensions to their existing skill sets. There are also entry-level training options for people wishing to begin a career in the alcohol and other drugs field. Evidence-based content is developed from research conducted by Odyssey House and partners.

[5. Insight Alcohol and other Drug Training and Workforce Development Queensland](#)

<https://insight.qld.edu.au/> [Tweet](#)

4 out of 5 stars

Australia, QLD Creator: Insight Alcohol and other Drug Training and Workforce Development Queensland Last reviewed: 27/08/2018

Review: Clinical support services program supporting government and non-government alcohol and other drug services across Queensland. Includes online training, professional development, research, clinical service evaluation, webinars and guidelines. Specialised training modules on working with methamphetamines. A valuable site for both AOD professionals and people in primary care working with clients with addiction or comorbidity issues. It is recommended the training modules are completed in order but it is possible to complete individual modules that have immediate relevance.

5 out of 5 stars

Australia, NSW Creator: The Building Trades Group Drug & Alcohol Program Last reviewed: 20/02/2019

Review: Comprehensive resources, education and training options developed specifically for workers to raise awareness of the importance of being sober in the workplace. The organisation embraces a prevention approach and addresses multiple health and safety issues. Referral opportunities for residential rehabilitation are available for consumers of alcohol, other drugs or those who have a gambling problem. Critical intervention in the case of immediate assistance is also available. Includes worksite policy and procedure guidelines and an accredited training course.
